

## **Algebra 2**

### **Chapter 5 Vocabulary**

**monomial**

**constant**

**coefficient**

**degree**

**power**

**simplify**

**polynomial**

**trinomial**

**binomial**

**FOIL method**

**square root**

**principal root**

**rationalizing the denominator**

**conjugate**

**radical equations**

**extraneous solution**

**radical inequality**

**imaginary unit**

**pure imaginary numbers**

**complex number**

**complex conjugate**
